

These materials have been developed and used by Health Literacy Kentucky members over the past several years. We encourage you to adapt and use them with community and professionals in your area! We'd love to know about updates you make and audiences that you reach. If you have any questions, please [email Liz](#) or [email Kristin](#), co-chairs of the Community Awareness Committee.

PRESENTATION FOR COMMUNITY MEMBERS

[Download all files \(Community Members\)](#) [Zip file]

This presentation was developed as part of a grant from National Library of Medicine. In 2012, it was shared with more than 400 people at presentations across the state.

Play to Win – You and Your Health Care Team
