Join us for updates on state and federal policies that impact the health and wellbeing of Kentuckians. Speakers will discuss how to advocate for a stronger safety net through public assistance programs designed to support thriving communities.

THESE SESSIONS WILL COVER:

- Important updates on the economy, Medicaid, SNAP, housing, transportation, child care, public health, behavioral health, and suicide prevention.
- New tools able to assist community members with meeting their basic needs.
- Rules for nonpartisan voter registration and education.
- Tips on being a more effective advocate in your community.

WHO SHOULD ATTEND?

Community leaders, public employees, nonprofit organizations, frontline service providers, outreach workers, educators, faith leaders, and others who serve their communities.

CEUS AVAILABLE

CEUs will be provided for Certified Community Health Workers, Licensed Social Workers, and other community professionals who are able to self-report.
