

# 2024 KVH ANNUAL MEETING SPONSORSHIP OPPORTUNITIES

## OUR IMPACT

KVH's Annual Meeting keeps our members informed, up-to-date, and engaged in Kentucky's ever-shifting health policy landscape. Working together, we advocate for policies that will lead to a healthier, more equitable, and just Commonwealth for all Kentuckians.

## OUR REACH

KVH has a broad membership that includes consumers, health advocates, clinicians, public health professionals, faith leaders, researchers, health systems, and insurers from across the Commonwealth.

Our Annual Meeting brings together 200+ coalition members to network and collaborate with policymakers. We offer continuing education credits to social workers and certified community health workers, which keeps our membership steady and growing.

## ADVOCACY

Your sponsorship will help us maintain our capacity to do this important work at no cost to the coalition members and consumers we serve. Sponsors will be recognized for their support during the meeting, in our weekly newsletter, and on social media. Sponsors will also have the opportunity to connect and engage with the most influential health advocates and health policy leaders in Kentucky.

## KVH ANNUAL MEETING

**DECEMBER 10, 2024**

KVH's annual meeting brings together stakeholders from across the Commonwealth to explore opportunities to improve the health and wellbeing of all Kentuckians. Sessions will touch on the ways in which state policies can be designed to improve access to affordable healthcare without barriers, fix the benefits cliff, build an equitable community safety net, promote civic engagement, and prepare for the 2025 General Assembly.
